THE CANADIAN GENERAL COUNCIL  
**THE BOY SCOUTS ASSOCIATION**  
OTTAWA

MESSAGE FROM  
*The Chief Executive Commissioner*

The world-wide Brotherhood of Scouts is the best known of all youth movements and one to which any person, youth or adult, can be justly proud to belong. It is well for us to realize that, as members of The Canadian Boy Scouts Association we, individually and collectively, set the standard by which the Movement is judged in this country. Furthermore, we must all appreciate that no self-respecting person would wish to belong to an organization which is poor in appearance, achievement or spirit.

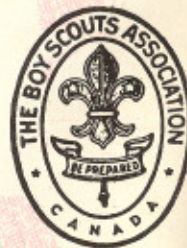

Many years ago our founder, Lord-Baden-Powell, said:  
"Smartness in uniform and correctness in detail seems a small matter to fuss about, but has its value in the development of self-respect, and means an immense deal to the reputation of the Movement among outsiders who judge by what they see."

These words are as important today as when they were spoken and they impose an obligation on each of us to be smart in appearance.

The merchandise described in this catalogue has been carefully designed and tested, to provide "Smartness in Uniform and Correctness in detail."

*Frederick J. Lumsden*

Chief Executive Commissioner.

## UNIFORM ACCESSORIES

There is nothing that detracts more from the smartness of the uniform than a sloppy or dirty neckerchief. It should always be clean, well pressed, and properly worn. Follow these simple steps when putting your neckerchief on: (1) Lay neckerchief on flat surface and roll long edge, back in even folds. (2) Place around neck over collar of shirt or jersey. (3) Draw neckerchief slide over ends and adjust to fit. (4) Tie ends in overhand knot as a reminder of the "Daily Good Turn" if this is done in your Section.

# MEET YOUR *Distributor* . . . .

## *He's a leader, too . . . .*

It takes teamwork to make our Movement move. You—the leader—blueprinting the programme, and your Distributor, the man who delivers the Official goods to make that programme work!

Your Distributor is a key man on Scouting's leadership team. He's a local business man who knows local Scouting and your equipment needs. Very likely, he has a fine record of service to Scouting—might even be an active Scouter himself!

Your Scout Distributor is a dependable merchant running a quality store. Along with Scout merchandise, he features a wide variety of other fine wares. He's eager and able to serve you and your family. Get to know him better—the sooner the better—he's a leader worth knowing.

## *DO YOU REALIZE THAT:—*

- \* Without the services of your Distributor it would not be possible to have Uniform, Equipment and Literature readily available to all members of our Movement.
  - \* He renders a service to the Boy Scout Movement, and to your Community, inasmuch that he operates on a small mark-up and small profit.
  - \* He has most items on display, or in stock, which enables you to get them quickly and to
- TRY before you BUY.
- \* He is an integral part of the Scout organisation in that he was appointed on the recommendation of your District Council on the strength of his ability and worthiness to serve you.
  - \* He is willing and waiting to give YOU personal service.
