GEORGE FERGUSON
Executive Commissioner for Stores
1921 - 1956

THANKS A MILLION

It doesn't seem like 35 years since my appointment as the Executive head of the Stores Department. The time has passed very quickly—much too quickly for my liking.

When I look back to 1921 and recall our very small beginnings one cannot but be amazed at the growth of the Association, reflecting itself in the steady expansion of the Stores Department. In the Annual Report for the year 1921 it refers to our having had a business turnover of "slightly in excess of \$20,000.00 and a total membership of 27,055".

As a matter of record it is interesting to note the increase during each ten year period, and I quote from statistics on file: In 1931 with a membership of 52,572 our sales amounted to \$108,875.81. By 1941 the membership had increased to 91,334 and our sales to \$175,686.44 and by 1951 we had a membership of 128,760 and sales of \$625,284.06. The next five years witnessed a remarkable growth and by 1955 the membership neared the 200,000 mark while our sales reached the record sum of \$1,048,517.67.

What made all this possible? I suppose that some credit could be given to careful planning, sound organization, and good business principles, but the real credit lies with the many thousands who comprise our membership and who have so loyally supported the Stores Department through the years.

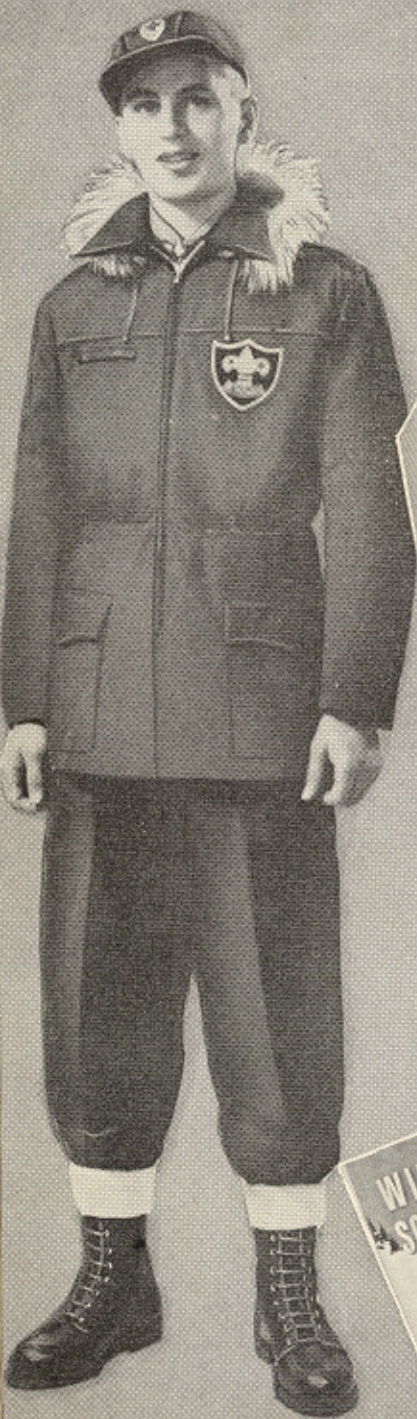

So on the eve of my retirement as the Executive Commissioner for Stores I do want to say "THANKS A MILLION" to every member of the Association, past and present—to our sixty agency stores and to the many suppliers of the various goods we catalogue.

It has been a happy though busy 35 years. To my successor in office I wish all goodwill and hope that he will have as much pleasure and satisfaction as I have had in my endeavour to be of service, and to all members of our great Brotherhood wherever you may be "GOOD HUNTING" and "GOOD SCOUTING".

Faithfully yours,

GEORGE FERGUSON
Executive Commissioner

Designed to provide an All-Purpose Outfit

OUTDOOR SCOUTING-OUTDOOR SPORTS-SCHOOL and GENERAL WEAR

CANADA'S DISTINCTIVE WINTER UNIFORM (illustrated on opposite page) has been designed by experts in collaboration with Headquarters, and provides for Wolf Cubs, Boy Scouts and Leaders a versatile outfit which adapts itself as suitable outerwear for OUTDOOR SCOUTING-OUTDOOR SPORTS-SCHOOL WEAR or general use.

The material for Parka's has been selected for its ability to withstand hard rugged wear. A first class quality drill is used for the Cub and Scout Parka and a high quality gabardine for the Leaders. Both materials in smart Scout Green colour.

The slacks have been re-designed with knitted wool anklets and tailored from "TRIPLE THREAT" an excellent NAVY BLUE nylon blend gabardine with the famous Duralen Finish which imparts a superior crease resistance, spot resistance and water repellancy.

The whole or any part of the uniform can be purchased at reasonable cost as detailed.

Wear Them—CORRECTLY

There is nothing that detracts more from the smartness of the uniform than a sloppy or dirty neckerchief. It should always be clean, well pressed and, by following these simple steps when putting it on will assure the wearer of correctness: (1) Lay neckerchief on flat surface and roll long edge back in even folds. (2) Place around neck over collar of shirt or jersey. (3) Draw neckerchief slide over ends and adjust to fit. (4) Tie ends in overhand knot as a reminder of the "Daily Good Turn."
