

# Are you a King Scout, Queen Scout, Chief Scout or Queen's Venturer?

*In 2007 Scouting celebrates its 100th Anniversary. The Scouts Canada Foundation is launching a country-wide search to find as many Canadians as possible who hold the rank of King Scout, Queen Scout, Chief Scout or Queen's Venturer.*

## **Join the 1st Centennial Group!**

All King Scouts, Queen Scouts, Chief Scouts and/or Queen's Venturers are invited to join the 1st Centennial Group, an exclusive group sponsored by the Scouts Canada Foundation. Joining is easy! Complete and submit the coupon below and you are automatically enrolled.

Some benefits include: a quarterly 1st Centennial Scout Group newsletter, invitations to special reunions between now and 2007, special products available only to members, and more!

## **Do you know others like you?**

If so, you can register them. Any relative, neighbour or co-worker may be qualified to join. Ask everyone you know if they were a King Scout, Queen Scout, Chief Scout or Queen's Venturer, then sign them up with the 1st Centennial Scout Group. There's no fee for doing so.

Since 1907, over 17 million Canadians have participated in Scouting. Over time, Scouts Canada has lost contact with many of our past members. We want to re-connect with them, and invite them to help us celebrate a 100 years of Canadian Scouting in 2007.

*If you were a youth member before 1952, you could be a King Scout. Or, if you participated as a member from 1953 to 1968, you were a Queen Scout. From 1968 to present – you might be a Chief Scout and/or Queen's Venturer.*
