

The Phoenix

Volume 1

Number 5-1

I've had a few people ask me why I haven't updated the activities list to this point. The answer is simple..... There's not too many people who have contacted me with new information. I REALLY, REALLY need those of you who are running events, or those of you who hear about events to send in the information. I'm s-l-o-w-l-y starting to rebuild contacts, but as of right now, this is a one-man operation and I need help (see the help wanted notices in Vol1 Nos 1 & 2). This forum won't improve unless YOU get involved.

To all Venturer Companies & Rover Crews in Central Escarpment Region
& All Pathfinder & Senior Branches Units in White Oaks Area
Subject: - Winterfest/Wyocrevar Ski-Jamb, Survey.

For the past 17 years our Guiding Area and Scouting Region have run a Joint Activity Week-end on the second week-end of February from the Friday evening to the Sunday at noon.

This event is for Guiding & Scouting Youth from age 14 to 18 (at the time of the event). Unfortunately this year (2004) we were forced to cancel the Event due to a lack of interested volunteers, from both Guiding and Scouting , that form our key committee of Race & Games.

This is a short survey designed to determine this Joint Activities future.

Please discuss it with your Youth Members.

We ask you to assist us by filling out the survey and returning it to us as soon as possible.

Hopefully the ones who created the film will not take offence.
