**CATALOGUE NO. 21**

306 METCALFE STREET, OTTAWA, CANADA

**"EVERY BOY WANTS**

**TO HELP HIS COUNTRY**

**IN SOME WAY OR OTHER"**

LORD BADEN POWELL makes this statement in the very first line of the first paragraph in the first yarn to "Scouting for Boys". How well the Chief Scout knows boys!

We all want to do our part in this National Emergency. All of us, old boys or young boys, have a real part to play. We must pull our weight.

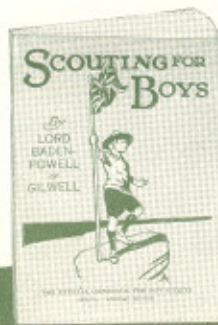

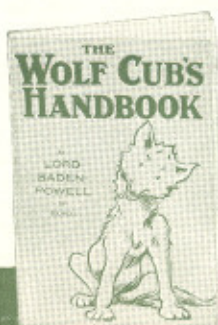

Patrol Leaders who are taking on more and more responsibility will find the Patrol Leaders Training Course of great value to them. It will show them many ways of carrying on and if their Leader is called to undertake other duties they will be ready to "carry on" the Troop.

Group Committeemen will see the need to take a more active and understanding part. They will find the Lecture Course for Group Committees full of helpful ideas.

The Scouters who are carrying on the Packs, Troops and Crews will find the regular Cub, Scout and Rover Courses full of things which will make their tasks lighter.

Let each of us do our part, whether we be Sixers, Patrol Leaders, Group Committeemen or Scouters **to help our country in some way or other.**

*For full particulars as to Training Courses write your Provincial Office or to the Department of Training at 306 Metcalfe Street, Ottawa.*

If Cheque is sent it must be payable at Par, Ottawa, or Exchange added.

SIR EDWARD BEATTY  
G.B.E., K.C., LL.D.

## A MESSAGE FROM OUR PRESIDENT SIR EDWARD W. BEATTY

NEWSPAPERS and letters coming to Scout Headquarters are referring continually to the work being done by Scout Troops in their determination to help in services made necessary by the present War: Scouts are assisting the Red Cross, acting as messengers, ushering at concerts, answering the telephone, etc. I have also been told of the formation of special service troops attached to Local Association Headquarters for short-notice emergency service, of Scouts collecting reading matter for soldiers and of many others busy in a variety of ways in wartime efforts.

All of this is excellent and I hope you will continue to be "Good Turn" hunters, especially in this time of national trouble.

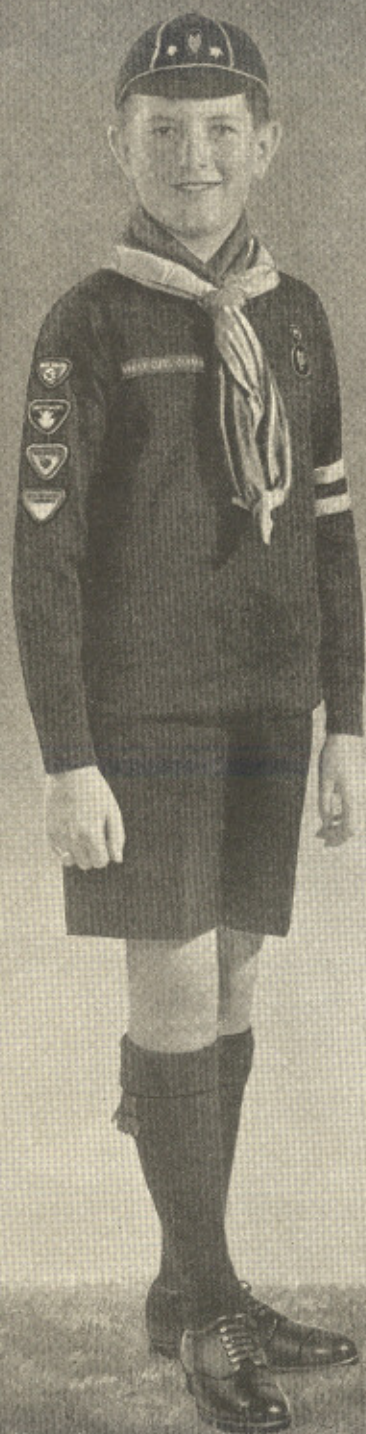

May I, however, express the hope that while you are doing other things, you will not forget to look in occasionally at the homes of soldiers' families. It is they who are making the big sacrifices and it is to them our country owes more than it will ever be able to pay. In many instances you will discover that the only male adult of the family has "signed up", and the women have been compelled to take on duties usually performed by the father or the brother. I refer to such ordinary humdrum daily chores as bringing in the wood, or the coal, carrying out the ashes, shovelling out paths, taking down the storm windows, weeding the kitchen garden, cutting the grass, etc.

Let us not forget these silent, suffering people who are doing so much for us.

Good Scouting and Good Hunting to you all.

E. W. BEATTY  
President.

## Lady Cubmaster's Uniform

While no standard outfit has been laid down in P.O. and R., it is expected that Ladies would be careful to conform as closely to the Chief Scout's idea of what constitutes the "Official" dress, as circumstances may permit.

To make this possible Headquarters has now made available a Lady Cubmaster's uniform which conforms to the "Official" dress as laid down by the Chief Scout.

The outfit consists of the regulation Hat, [we recommend the Rover Scout Hat listed on page 3 as being the most suitable] a Coat-Frock which is available in either All-Wool Gaberdine of excellent quality in a smart Khaki shade, or Khaki Cotton Twill which is recommended for warm weather use. Regulation Leaders' Belt featured on page 6, and Neckerchief conforming in colour to that worn by the Pack. Stockings and Shoes are not provided for and should be purchased to individual taste.

The Coat-Frock is a one piece garment having two large lower pockets and two smaller pockets at top, all with button-down flaps. The neck is the open V-cut style with a turned down collar, while the sleeves are cut short to the elbow. The "Official" Wolf-Cubs Canada embroidered badge is sewn on right breast. The outfit is smart, comfortable and is highly recommended.

## THE "OFFICIAL" SCHOOL-WEAR JERSEY

(A Warren Knit Garment)

The School-Wear Jersey is designed for Boy Scouts and Wolf Cubs as a suitable and distinctive garment for School wear but, of course, it can quite properly be worn for other occasions. The Jersey, which is knitted in the "official" Scout colours of Dark Green trimmed with Old Gold, readily identifies the boy as a member of the Boy Scouts Association. The collar is of a new type with a zipper opening that permits easy adjustment and allows the neck to remain open or closed. Two patch pockets with buttoned flaps provide ample room for the many odd things that boys delight in carrying, and the "official" crest of the Association, beautifully embroidered, is displayed on the left side. Close knitted wristlets and waist band assures a perfect fit to a garment that we highly recommend. Available in the following sizes:—

Size 28	to fit boys of 9 to 10 years
Size 30	to fit boys of 11 to 12 years
Size 32	to fit boys of 13 to 14 years
Size 34	to fit boys of 15 to 16 years

Price (for above sizes only)..... \$2.50

Price (for larger sizes to order).. \$3.00

# Any Scout will tell you "C.C.M.'S CAN TAKE IT"

Hikes, hills and highways subject you and your bicycle to the severest sort of test of speed and endurance—but a "C.C.M." can take it" as any scout will tell you.

You, too, will be able to "take it" when put to the test of scout activities if you ride a C.C.M.—and here are the reasons. The three fast-moving parts of every C.C.M. bicycle, namely, the front hub—the main sprocket hanger and the coaster brake are all accurately machined to one-thousandth of an inch tolerance. Then, too, they are made from special high-speed steels which are heat-treated to give added hardness. The extreme accuracy of these parts makes C.C.M. bicycles smooth and easy-running and the heat-treating ensures their long life.

When you buy a bicycle buy a C.C.M. and you will be sure of years of trouble-free cycling.

## MANY MODELS TO CHOOSE FROM

Of course your "Official" Scout Bicycle is a beautiful C.C.M. Maroon Enamel Finish with Gold Sunburst head—wide Centre Stripe of "Scout" Green on Guards—and with your "Official" Scout Insignia on the steering post. It is popular with Boy Scouts everywhere. Should you wish to consider another model there are such C.C.M.'S as the "Special", "Motorbike", "Crescent", "Road Racer", "Balloon Model", "Rambler" and "Flyer". See the C.C.M.'S at your favorite dealers.
